Delta Tech Awards 2008 Scholarship to Oliver

Lake Charles, LA. Delta Tech has awarded its 2008 Scholarship to Erica Oliver of Lake Charles, LA. Ms. Olivier is a 2008 graduate of Washington Marion High School; she is the daughter of Shirley Oliver of Lake Charles, LA. Erica's mother works for Lake Charles Memorial Hospital in the psychiatric ward. Her mother's background in the medical profession has played a vital role in inspiring Erica to work in the mental health profession. Erica has always taken courses geared towards the medical profession while at Washington Marion High School which lead Erica to apply for our annual scholarship.

Every year, Delta Tech receives numerous scholarship applications from high school seniors from our region that includes Allen, Beauregard, Calcasieu, Cameron, Jefferson Davis, & Vernon Parishes. This scholarship entitles the recipient to select any associate degree or diploma program offered by Delta Tech. "We are excited to offer scholarships each year which enable students to get the training necessary to enter our struggling workforce," said Jeff Edwards, Chief Operating Officer of Delta Tech.

The mission of Delta Tech is to recruit, train, graduate and assist in placing students with the job skills that are in demand by employers and who have a work ethic that will promote success. Day and Night classes are available with diploma programs in Accounting, Administrative Assistant and Medical Office Assistant while Associate degrees are offered in the following: Accounting, Administrative Assistant (Computers), Administrative Assistant (Legal), Business Management, Drafting Technology, Information Technology, and Medical Office Assistant. For information about attending Delta Tech, contact them at (337) 439-5765 or visit them online at www.deltatech.edu.
